## QUESTERS CONVENE AT SCHOOL Thousands Join the HPQuest!

### The Fifth Week of the Quest Begins...

BY ARTHUR ACRONYM, STAFF REPORTER

This week, Questers from across the globe will be convening at HP Fan Trips' School of Wizardry to practice their wizarding skills at part of the HPQuest.

Some of the world's most talented teachers have gathered together to work with Questers.

"It is our hope that our Open House at The School of Wizardry will provide questers with the necessary skills needed to complete the HPQuest," said School headmistress Jeannie Barresi. "We are doing our part to assist wizards in their search."

Many wizards have been curious about the package received by Veelagirl. Apparently a noted tea reader, Ms. Linchkin, sent her along a tea set with an important clue for this week's Quest.

According to Veelagirl, when she looked at the tea leaves in her cup, they formed a distinctive eye formation. Her divination book said this about the image: "An eye means caution; location of image in the base of the cup represents further away in time."

Questers - both Dark and Light Wizards, convene at Ford Castle, the site for HP Fan Trips' School of Wizardry
