## INQUIRING MINDS WANT TO KNOW Thousands Join the HPQuest!

### The Fourth Week of the Quest Begins...

BY ARTHUR ACRONYM, STAFF REPORTER

Last week, we reported that a new group of dark wizards, known only as "The Dark Eyes," had begun attacking innocent wizards and witches around the globe!

Subsequently, a strange series of events took place that has caused HP Quest wizards to join forces to try and learn what provoked the attack and what "The Dark Eyes" wanted from the wizarding community!

This week, we are pleased to inform our readers that we have uncovered a source that can help Questers understand what is going on.

Mrs. Harrington, a head housekeeper, has bravely stepped forward to offer Questers a clue that will help them unravel this mystery.

This week's HP Quest is presented in two releases. The first release (Tuesday), is led by the brave Mrs. Harrington, who will assist wizards in understanding the connection between Darkeyes and the young wizarding student, Wilson Mallad.

The second release (Thursday) will test Questers' wizarding skills as they have to choose between two paths. From this point forward, Questers will interact in a series of clues set up solely for their path. Two wizarding worlds will collide to see who can garner objects to reach the final conclusion which will reshape the wizarding world as we know it.

One such object was received by a wizard, *lflores*, last week. To view this important clue, visit the links below.
